GENOVATION CAPITAL TO COMPLETE SHARE CONSOLIDATION

Vancouver, B.C., July 15, 2016 – Genovation Capital Corp. (CSE: GEC) (the “**Company**” or “**Genovation Capital**”) announces that it has received approval from the Canadian Securities Exchange (the “**Exchange**”) to effect the consolidation of its common shares (each, a “**Share**”) on the basis of one (1) new post-consolidation Share for every three (3) pre-consolidation Shares (the “**Consolidation**”), as approved by shareholders at the Company’s Annual General and Special Meeting on April 29, 2016.

Effective on July 15, 2016, the Company’s Shares will be consolidated, and upon resumption of trading following completion of the proposed acquisition (the “**Transaction**”) of Valens Agritech Ltd. (“**Valens**”), will commence trading on the Exchange under a new CUSIP number 372437202 and ISIN CA 3724372022. The 33,955,586 Shares currently issued and outstanding will be reduced to approximately 11,318,529 Shares upon the Consolidation. The Company’s name and trading symbol will remain the same.

No certificates representing fractional Shares will be issued in connection with the Consolidation and, in the event a shareholder would otherwise be entitled to receive a fractional Share in connection with the Consolidation, the number of Shares to be received by such shareholder shall be rounded to the next lowest whole number of Shares and no cash amount shall be payable in respect of such fractional shares.

The Company will also be consolidating its outstanding options and warrants on a ratio of three (3) to one (1), with the result that each consolidated option and warrant will entitle the holder to acquire one Share at an exercise price of three (3) times its original exercise price. Pursuant to the terms of the outstanding options and warrants, the Company is not obligated to issue fractional Shares upon exercise of any such options or warrants and, therefore, any Shares issuable post-consolidation upon the exercise of any outstanding options or warrants shall be rounded down to the nearest whole Share.

ON BEHALF OF GENOVATION CAPITAL CORP.
